Project 2019 - - - Reforest Valley Drives

The Red Oak Grove Cemetery Board has endorsed nurseryman Dwight Hughes' tree plan for Red Oak Grove Cemetery. The plan will add 18 new trees in 2019 – six along the new Valley Drive (completed in fall 2018), and 12 along the proposed North Drive, which will exit the cemetery onto Red Oak Park Road. The plan comprises: • Six Crabapple trees: two Pink Sparkles trees and four Purple Prince trees. These will complete the Valley Drive landscape. • Twelve shade trees: four Blaze Maples, two American Hackberries, one State Street Maple, four Princeton Elms, and one Kentucky Coffee tree. (to clarify: the Kentucky coffee tree does not yield beans for a beverage.) These shade trees will be placed along the route of the proposed North Drive. The Cemetery Board is offering friends of Red Oak Grove Church and Cemetery an opportunity to donate trees. Donated trees may be dedicated in memory of deceased relatives or friends, or in honor of persons who are living. Crabapple trees cost \$320 apiece, shade trees \$410 apiece. These prices cover purchase of the tree, planting, fertilizer, mulch, and if desired, a plaque to designate “In memory of” or “In honor of.” Donors may also choose to “adopt” one or more of the Crabapple trees already planted along Valley Drive, for the standard price of \$320. For more details about tree donation, please contact Cemetery Board president Bob Rickard, P. O. Box 452, Tipton, IA 52772, or bbrick@iowatelecom.net or (563) 886-6018.

Angelus Bell donated by Scott and Diane Schroeder

Historically, the Angelus bell dates to the 11th century, when Franciscan monks said three Hail Marys as the bell rang during night prayers. Over time, the bell became associated with evening prayer. By the late 1500s, the Angelus bell was connected with various prayer vigils. When it sounded, all other activity stopped for prayer.

Red Oak Grove will use the Angelus bell for solemn occasions such as “Wreaths across America.” At this ceremony, a reader speaks the name of each veteran interred or commemorated at Red Oak Grove Cemetery. As each name is read, the Angelus bell would toll.

Project 2020 - - - Kitchen Restoration

Red Oak Grove Cemetery Board announces *Kitchen Restoration* as its 2020 project. This will consist of a new floor, counter with electric water heater, plumbing, and electrical work. The restoration will keep to the vintage look as well as retaining the present refrigerator and stove.
